   If a team or individual must forfeit a contest, they should notify the Wellness and Recreation Office prior to the playing time of the contest.

   a. If a team or contestant fails to appear at the designated playing site within the time specified in the rules of the sport, the Sport Supervisor may declare the contest forfeited to the team or individual which/who is present. The specified player minimums as indicated on IMleagues.com and must be maintained in order for the contest to be played.

   c. If both teams fail to show at the designated time and place, a double forfeit is recorded and the contest is not rescheduled.

   d. The first forfeit results in the team paying a $25.00 fee at the IM office WRC room 161. (Cash Check or U-bill). If this is not paid by the teams next scheduled playing time, then all team members will be suspended from participating in all intramurals till the fee has be paid.

3. **Protests**
Judgement calls by an official may not be protested. Protests are restricted to matters of rule interpretation and player eligibility. Individuals’ protests not abiding by the following policies are not recognized by the Wellness and Recreation Office.

a. The team manager must make any protest involving rules interpretation to the official in charge of the contest at the time the question is raised. Once play has resumed, the protest is not valid. The official is responsible for notifying the Sport Supervisor who makes a decision and the contest continues.

b. If the team making the protest believes the Sport Supervisor is incorrect, they may protest the ruling to the Intramural Coordinator.

c. All protests to the Intramural Coordinator must be in writing. The protest must be received by the Intramural Coordinator prior to 3 p.m. on the day following the contest, stating the reasons for the protest and the rule violation.

d. The validity of the protest is decided by a committee consisting of: one representative from each team, two neutral representatives, and the Intramural Coordinator.

e. Upheld player eligibility protests result in a forfeit by the guilty team or individual.

f. Anyone aware of an ineligible player competing should report the infraction to the Intramural Coordinator so appropriate action may be taken.

4. **Postponements and Rescheduling**
All intramural contests are arranged weeks in advance, so teams and individuals should attempt to arrange their activities to prevent conflict.

a. Decisions pertaining to weather-related postponements are made after 3 p.m. on days when game status is questionable due to the weather. The Intramural office will text and email all teams involved if contests are canceled through IMleagues.com. If necessary teams can call the intramural office (273-7262).

b. The intramural Coordinator at the site will be the judge in determining if contests in progress are continued.

• The team/individual initiating the postponement must obtain available dates/times for rescheduling from the Wellness and Recreation Office and secure its opponent’s agreement for one of these periods.

• If the opponent agrees to postpone the contest, the team/individual desiring the postponement will obtain a postponement request from the Wellness and Recreation Office, provide the indicated information and procure the signature of the opposing team manager.

• Postponement Request Forms must be submitted to the Wellness and Recreation Office a minimum of 48 hours in advance of the originally scheduled contest in order for the contest to be postponed.
