CAPTAIN'S RESPONSIBILITIES

Captains will serve as the liaison between Intramural Sports and their team.

The team captain is responsible for team representatives at all times. “Team representatives” are defined as the following but are not limited to; a player, non-player, captain, coach, manager, spectator or anyone associated with a team. Team Representatives can affect the team’s sportsmanship standing, playoff eligibility, and may be asked to leave the premises. These actions and disciplinary steps can happen at any time, before, during or after any intramural sports event.

Captain’s duties include but are not limited to:

- Create the team online
 - Select a proper and appropriate team name.
 - Any team name deemed inappropriate may be changed at the discretion of the intramural admin staff

- Examples of inappropriate team names include but are not limited to foul or vulgar language, sexual innuendos, political statements, or discrimination of any kind
- Ensure your team has the minimum number of players on the roster (not the invite list) in order for the team to be eligible and hold a spot in a division/league before the close of registration
- Ensure the eligibility of each player prior to competition (See Eligibility)
- Educate team members and maintain individuals' compliance on sport specific rules and regulations set forth in this handbook
- Inform team members of game times and dates to avoid forfeits, the forfeit fine and potential removal from the league
- Pay forfeit fine(s), if applicable, following the specified deadlines for payment set forth by Intramural Sports
- Check the Rec Services Instagram and their email for inclement weather updates, postponements, and rescheduled activities.
- Take quizzes on Fusion, which are required to create a team for all leagues including 3v3 basketball, 4v4 sand volleyball, 4v4 flag football, 5v5 basketball, 6v6 volleyball, 7v7 Flag football, 7v7 Soccer, Softball, and any other sport 5-week league offerings
- Captains' meetings will be held virtually the week before the season begins for all officiated sports. It is the responsibility of your captain to have a team member present, or the team will not be eligible for playoffs

PARTICIPANT ELIGIBILITY

All participants must provide a valid University of Northern Iowa student ID or valid form of government issued **PHOTO ID** (physical or digital) to participate in intramural sports.

All participants must agree and sign the Intramural Participant Waiver prior to participation and are prompted to complete it when registering for a team. Participants must be 18 years or older to sign the waiver on their own behalf. A parent/guardian must sign the waiver if the participant is younger than 18 years of age.

Every individual is responsible for verifying their own eligibility for each sport they choose to participate in. The Intramural Sports Staff is not responsible for checking the eligibility of all participants. Any concerns that arise regarding opposing teams' eligibility should be reported to the Intramural Sports Supervisor by the captain prior to the start of the game.

The Intramural Sports Staff may suspend and/or forfeit any team, organization and/or individual that willfully uses or attempts to use ineligible player(s) or forfeit any games in which the individual(s) played.

If you become aware of a potentially ineligible after your contest, report your protest of eligibility by noon the next business day. All reports should be submitted to imsports@uni.edu

Who can participate in Intramural Sports?

Students- All undergraduate and graduate students who are enrolled in at least one (1) credit hour at the University of Northern Iowa are eligible to participate in intramural sports.

- Allen/Hawkeye students who are living on the UNI campus are eligible to purchase an affiliate membership and participate in intramurals

Full-Time Faculty/Staff- All currently employed faculty and staff members with a Rec Services membership are eligible to participate in intramural sports.

Part-Time Faculty/Staff- Part-Time faculty and staff members with Rec Services memberships must provide written documentation from their department stating that they are currently employed by the University of Northern Iowa with a minimum of 20 hours per week.

- Affiliate or Hourly paid staff are allowed to participate in Intramural Sports.

Spouses- Spouses/partners of any eligible participants are eligible to participate in intramural sports provided that they have a **current Rec Services membership and must be on the same team as their spouse/partner.**

Olympic and Professional Athletes- Olympic athletes are considered individuals who competed for their country in the Olympics or World Championships. An athlete will be deemed “professional” if at any point they received financial compensation for participating on a team in a professional or semi-professional league. Olympic and professional athletes are not eligible to participate in their related sports.

Club Sports Members- a Rec Services Club Sports member is defined as one who has:

- Paid membership dues
- Traveled on a club trip
- And/or appears on the club’s roster
- Played

**A person only needs to meet one of these qualifications to be considered a club sport member. Any player who starts their respective season as a club member and quits, or is removed from the team, for any reason will still be considered a club member for the remainder of the academic year.

Each intramural sport has a club sport member restriction. The numbers are as follows:

Intramural Sport	# of Club Members allowed per roster
4v4 Volleyball (Sand & Indoor)	2
6v6 Volleyball	2
7v7 Soccer	2
Softball (Applies to baseball club members)	3

Varsity Team Managers or Practice Team Players- Any student who assists the varsity team as a practice team member or a manager will follow the same restrictions as a club sport member. Since these participants are classified as club sport members, they will be considered part of the club sport count (i.e. 6v6 volleyball team has 1 Club Volleyball member and 1 Varsity Volleyball practice squad or manager, they have met their max).

Varsity Athletes- Any student practicing with (officially or unofficially), playing for or listed on the team roster after the first competition at any four-year or junior college institution will be considered a varsity athlete. This includes red shirts and walk-ons who are admitted to the University of Northern Iowa under special NCAA guidelines. Any student who tried out for a varsity sport and was cut or dropped from the team before the first regular season varsity game will be eligible to participate in the related intramural sport. Varsity athletes are ineligible to participate in the related intramural sport as which they received varsity status. Varsity athletes are ineligible to participate in the related intramural sport for 365 days from their removal from the official University roster. Varsity athletes are eligible to participate in unrelated intramural sports. If you have questions about eligibility, please email imsports@uni.edu

Varsity Sport	Intramural Related Sport
Baseball/Softball	Softball
Basketball	Basketball (in any form)
Football	Flag Football (in any form)
Soccer	Soccer (in any form)
Volleyball	Volleyball (in any form)

Participants under 18 years of age- Students under 18 years of age wishing to participate in intramural sports must visit WRC Office 101 and obtain a participation waiver. The participant and their parent/legal guardian must sign the waiver before the student is eligible to participate in any intramural sports. These forms need to be filled out for each intramural sport the participant would like to play.

Eligibility Protests will happen in the following order:

1. Before the start of the game, the team captain will notify the officials and/or supervisors to state they have reason to believe a participant is playing illegally.
2. If the eligibility issue can be corrected immediately, the supervisor will make the correction.
3. If the eligibility issue cannot be corrected immediately, the supervisor on duty will inform both team captains that the game will be “played under protest” until the participant’s eligibility can be confirmed.
 - a. The participant in question may continue to play at their own risk.
 - b. If the participant is found ineligible and participated in the game, the game will be forfeited to the opposing team no matter the outcome of the game.
 - c. If the participant is found eligible, the game results will stand.

This protest must be written and submitted to the Competitive Sports Coordinator by 12:00pm noon the following business day.

ID POLICY

The Intramural Sports Program at the University of Northern Iowa is partially funded through tuition and is open only to members of the university community (i.e. students, faculty, staff and eligible spouses, etc.). In order to ensure that only eligible members participate in intramural activities, all participants must bring their University of Northern Iowa ID, Rec Services membership or valid government issued **PHOTO ID** to all activities. There are NO exceptions.

Any person who alters or intentionally mutilates a University ID card, or who allows another to use their ID card will be subject to disciplinary action.

An ID card is subject to confiscation by an agent of the university when acting in the performance of their duty if:

1. The ID card is in the possession of an individual other than the person to whom the ID was issued,
2. The ID card is presented by the person to whom it was issued but it is not valid for the current term of registration, and the individual uses the ID in an attempt to access university services for duly registered students.

Fraudulent Acts- Any individual or team who uses an illegal player during any time will forfeit- all contests in which the ineligible individual participated, regardless of the outcome. Some examples of fraudulent acts include but are not limited to: misrepresentation of a score, playing while ineligible or suspended, participation under an assumed name, playing on more than one team in the same league, violating any eligibility rules. The offending individual, team captain and/or representative must meet with the Assistant Director and Coordinator of Club and Intramural Sports for disciplinary actions and reinstatement.

LEAGUE PARTICIPATION

The “Big Five” intramural sports: Flag Football, Soccer, Volleyball, Basketball and Softball will be organized into three (3) major leagues: CoEd, Women’s, and Men’s. **A player may play on only one team per league. For example, a person can play on a CoRec, Women’s Competitive, and a Women’s Recreation team. But cannot compete on two Women’s Competitive teams.** Each of these larger leagues will then be divided into smaller divisions of play. These divisions are structured to better accommodate levels of play and competition. The divisions for each league are as follows:

Men’s	Competitive, Recreational
Women’s	Competitive, Recreational
CoRec	Competitive, Recreational, Open

**Some sports/leagues may not have a competitive & recreational option upon registration, based on past and current participation. These offerings may be adjusted as needed by the competitive sports coordinator.

Competitive- this is the most competitive level of competition for intramural sports. Teams who are looking to play against other competitive people, have a background in the sport, or would like to challenge themselves are recommended to join a competitive division.

Recreational- this is the more casual league. Teams who are looking for fun, a way to try a new sport, or just stay connected with a sport they love without the pressures of competitiveness are recommended to join a recreational division.

*Competitive and Recreational will be utilized based on projected registration for leagues within a sport

****Teams may be relegated or promoted for the playoffs, due to their performance in the regular season at the discretion of the intramural staff.**

CoRec: If a division/league is called CoRec the league will have specific gender requirements the team must meet before participating (ex. 2 males and 2 females are required for a CoRec Sand Volleyball team). The ratio of male:female participants cannot exceed more than 1 (ex. A ratio of 3 males to 2 females is fine for CoRec basketball, but a ratio of 3 males to 1 female will not be allowed).

CoRec Sport	Minimum Gender Requirements to Play
4v4 Sand Volleyball (2v2 minimum)	1 males, 1 females
5v5 Basketball (4v4 minimum)	2 males, 2 females
6v6 Volleyball (4v4 minimum)	2 males, 2 females
7v7 Soccer (5v5 minimum)	3 males, 2 females or 3 females, 2 males
Softball (8v8 minimum)	4 males, 4 females

Open: If a division/league is called Open, this means that there will be no gender restrictions. All genders can sign up and there will be no specific gender requirements.

Participation Restrictions: A participant MAY NOT participate on multiple teams within a league. But MAY participate in two different divisions (Ex. cannot play on two women's competitive volleyball teams, but can participate on a competitive and recreational team women's volleyball team).

ROSTER INFORMATION

Note- After playing/checking-in for one game with any team, a player may not transfer to another team in that sport or be removed from the roster.

League Regular Season- Players may be added to the roster throughout the regular season for team sports. Individuals must be listed on a team's roster in order for them to be eligible to participate. Players may be added on-site at game times. These players must still have a government-issued photo I.D. to be added to the roster and check-in. By checking-in on-site, the player is locking themselves onto the team's roster and they may not transfer to another team.

League Playoffs- Players may be added up until the start of the first playoff game for their league. After that point the roster will then be locked. Players must be added before that deadline to participate in a playoff game.

Tournaments- Player substitutions in individual, dual or team tournaments are not permitted after a team has played their first game in the tournament. Players may be added on-site at game times. These players must still have a government-issued photo I.D. to be added to the roster and check-in. By checking-in on-site, the player is locking themselves onto the team's roster and they may not transfer to another team.

Free Agents- Individuals that don't have a team to play on can sign up as individuals, this is known as signing up as a free agent. After registration closes, free agents could have one of the following events occur:

- If there are enough free agents registered to create a stand-alone team, the intramural admin will create a free agent team. A captain will be selected from the pool of free agents.
- If there are only a few free agents registered, the intramural admin will work with the free agents to find a team. Teams that select they are open to free agents, could have players added to their roster.
- Once this free agent is added to a team's roster and checks in for a game, they are locked in on that roster. This option is only available for teams who have not met the roster maximum yet.

Rover's- (substitutions): In the regular season, teams will be permitted to use a "rover" or substitute from another team in that league for that game only. In order to do so, the team in question can only add a rover if they are under the limit of players that can be on the floor/field (ex. A basketball team with 4 players may add a rover to get a 5th).

- Rover's cannot occur if the team in question already has enough players to fill the maximum spots on the playing field
- A person who is not registered for a team play, but must register and show up on the roster first. They are not considered a "rover" rather are just an addition to the team.
- Rover's CANNOT occur during the playoffs. However, roster additions may be made up until the start of that team's first game.

Roster minimums and maximums will be listed in each individual sport's rules

Sport	Roster Size Minimum of Leagues	Max Roster Size
Pickleball Doubles	2	2
3v3 Basketball	2	6
4v4 Sand Volleyball	2	8
4v4 Flag Football	4	8
5v5 Basketball	4	10
6v6 Volleyball	4	10
7v7 Soccer	5	10
Softball	8	15

PARTICIPANT CONDUCT POLICY

Intramural Sports prioritizes sportsmanship by all teams, spectators, and staff. The captain is responsible for the behavior of all its team members and representatives. Everyone is expected to conduct themselves in accordance with the The Code of Student Life, University conduct standards, and policies set forth by University Recreation. Actions by team members and representatives during intramural activities that extend beyond the realm of decency will not be tolerated. Individuals violating will be suspended until meeting with the Competitive Sports Coordinator.

We will be using a “2, 3, 4” method of determining eligibility for all leagues and major tournaments. The following will be in effect for the activity’s season:

- ***The accumulation of TWO (2) unsporting conduct fouls in a game will result in the ejection of the individual from the game, and procedures outlined in the “Ejections” section.***
- ***The accumulation of THREE (3) total unsporting conducts fouls during an activity’s season will result in the dismissal of the individual from the activity for the remainder of its season. The accumulation of Three (3) unsporting conduct by a team will result in in the forfeiture of the contest***
- ***The accumulation of FOUR (4) total unsporting conduct fouls by the team’s individual participants during an activity’s season will result in the dismissal of the team from the activity for the remainder of the season.***

*Unsporting totals rollover to playoffs

Participant Conduct Facts

- Any flagrant attempt to cause physical harm to another participant and/or staff member will result in immediate ejection and suspension from all UREC facilities and programming.
- Any Participant Conduct will be reviewed by the Intramural Sports professional staff.

Ejected Players/Teams: Intramural Sports officials and supervisors reserve the right to eject anyone, any team or team representative at any time. The Intramural Sports Staff’s decision is final. Any time an individual/team or team representative is removed from a contest or playing area an Ejection/Incident Report will be completed and placed on file in the University Recreation office. Participants, teams and/or team representatives who are removed from a contest as a result of unsporting conduct or disruptive behavior must leave the facility immediately. Failure to comply with this policy will result in the notification of UNI Public Safety.

**Any participant or spectator refusing to disclose their name in regards to an incident will result in the forfeiture of the game and removal from the league.*

The player(s)/team will additionally be suspended from Intramural sports until they schedule a meeting with the Competitive Sports Coordinator. A meeting must be scheduled by the ejected player(s)/team by emailing imsports@uni.edu. After this meeting the Competitive Sports Coordinator will make the final determination of eligibility in Intramural Sports. Participants that are suspended from play in a sport may also lose their Rec Services membership privileges. Teams that use players who are suspended will forfeit all games in which they used suspended players and may be subject to further suspension.

Unsportsmanlike Sport Specific Equivalents

Sport	Yellow	Red/Ejection

SPORTSMANSHIP RATINGS

After the conclusion of each game, both teams will be given a “sportsmanship rating” based on their behavior during the game. The rating system is 0-4 (0 being the lowest and 4 being the highest). Each rating will be met with a specific criteria for the rating. Any team with a cumulative regular season average of below 3.0 will be disqualified from postseason play.

Rating	Reasoning
4.0	No warnings, Unsportsmanlike penalties, or ejections were given by the officials during the contest.
3.0	A warning or warnings were given to the participants from the officials regarding their behavior. But no unsportsmanlike penalty was given.
2.0	The team was given warnings and/or one (1) unsportsmanlike penalty during the game.
1.0	The team was given warnings and/or multiple (2 or more) unsportsmanlike penalties during the game.
0	The team was given warnings, at least one (1) unsportsmanlike penalty was given, and an ejection occurred.

FORFEITS AND DEFAULTS

Default- Any team knowing in advance that they will be unable to attend a scheduled contest should **“Default” their game via Fusion Play by 3:00pm the day of their scheduled game.** For games happening on Friday - Sunday, teams must complete this process by 3:00pm the Friday before their scheduled game. If you cannot default your game via Fusion Play, you must notify imsports@uni.edu by 3:00pm the day of your game for your default to be valid and avoid the Forfeit Fine. Defaults will result in:

- Waived forfeit fine
- Opposing team will be notified

- Opposing team awarded the win

**A second default will be considered a forfeit and will result in a Forfeit Fine being assessed.

Forfeit – Any team or individual not ready to play a contest at the scheduled location and time shall forfeit the contest. Forfeit losses and fines (\$20 per team) will be assessed (to the team captain) for the following reasons, but are not limited to:

- Use of "ineligible player"
- Non-appearance or late appearance for event
- Failure to have the minimum number of players in attendance at the scheduled game time
 - Minimum player numbers vary by sport. See tables above.
- Apparent use of alcohol/drugs/tobacco products
- Any team who forfeits a regular season game will be ineligible to participate in playoffs for their respective sport

Forfeit fee process- Forfeit fees will be charged to the team captain, they will be suspended on FusionPlay, and will need to pay the fee (online, NO CASH) before they can participate in their next game.

5-Minute Rule- If one or both teams have fewer than the minimum number of players ready to participate when the official/staff member indicates the start of the game, the 5-Minute Rule will come into effect: *Note: At least one (1) person from a team must be checked-in for this rule to apply. If no one is checked-in for a team, the game will be an automatic forfeit.

1. The game clock will start.
2. The captain/team that is not prepared to play with the minimum number of players will have 5 minutes to become ready to play.
3. For each minute that passes the team with the minimum number of players will accrue points.
 - a. The number of points accrued per minute is dependent upon each sport, as listed in the individual sports handbook.
4. If the 5-minute time limit expires and the team still does not have the minimum number of players, the game will be forfeited to the team that has the minimum number of players present.
5. If at any time, during the 5-minute limit, the team acquires the minimum number of players, the game will begin. The game clock will remain at the time that has passed and will continue in accordance with sport rules.

If a team forfeits a game, they will receive a "loss by forfeit" on their record. Forfeit fines will be assessed to the student account of the identified team captain, or participant the day following the forfeit. In the case that more than one captain is listed, then the creator of the team will be assessed the fine.

Team captains will have to pay the forfeit fee and provide notification to the intramural supervisor on duty before returning to play. The team captain will not be eligible to participate until the forfeit fee is paid in full. Upon suspension, the team captain will be sent an invoice (the forfeit fee) that will need to be paid online or paid in the WRC main office 101. **Two forfeits will result in the team being dropped from the league.**

PLAYOFFS

League events will culminate into a single elimination playoff bracket. For a team to be eligible for the playoffs, they must meet all the following criteria:

- No forfeits during the season

- A sportsmanship rating above 3.0

*UNI Intramural Sports reserves the right to adjust or move teams from league (Recreational/Competitive) if it is deemed by the staff that they are playing in a league above or below their play level.

All eligible teams from each division will advance to the playoff bracket provided they meet the criteria listed above. The teams from each division will be combined into one playoff bracket. The brackets will be available for teams to view at the first possible opportunity after all regular season games have concluded and been recorded. Teams that are tied in their division will be further ranked on the following criteria:

- If a two-way tie exists, the decision will be determined based upon who beat whom in head-to-head competition. If a head-to-head is not sufficient the three-way tie rules will come into effect.
- If a three-way tie exists, the decision will be determined as follows:
 1. Head-to-Head
 2. Point Differential
 3. Sportsmanship rating
 4. Coin Toss to break the tie

It is the team's responsibility to check their eligibility for the playoffs. Teams should check both their team's record and their sportsmanship standing by the end of the last scheduled regular season games. If there is an error or question, you will need to email imsports@uni.edu before the conclusion of the regular season. After the playoff schedule is sent out to teams, bracket placement and teams included will be set.

Playoff Reschedules: It is the captain's responsibility to alert the Intramural Sports Office by 1:00pm the day of their scheduled game or by 1pm Friday for games scheduled Saturday or Sunday, that they wish to reschedule a playoff game. Failure to alert the Intramural Sports office by this time will result in the game not being rescheduled. UNI Intramurals reserves the right to not reschedule the game due to time/spacing or weather factors. As the opposing captain, you must make an attempt to find an alternative game time. Simply refusing to cooperate with the other team can result in your team forfeiting the game. If a consensus cannot be found between the captains, then the game will stay as scheduled.

PROTESTS

Protests may be filed based on eligibility or rules interpretations. Official's judgment, decisions, or official's accuracy will not be considered. To protest a participant's eligibility or rules interpretation the team captain must immediately bring the issue to the attention of the official on their field/court. All protests must happen before the next live ball/play. Notifying the official or supervisor after one or more plays have passed does not constitute a valid protest.

Rule Interpretation Protests will happen in the following order.

1. The team captain will calmly and immediately call for a "time out" and inform the official that they wish to have a ruling on the interpretation and then alert the supervisors on duty.
2. The supervisors on duty will reference sport rules, handbooks etc. to make the final decision on the rule interpretation.
3. If corrections are necessary, the supervisors on duty shall rule immediately and the team/participant will not be charged with a time out. a. If the interpretation is incorrect, the team/participant will be charged with a time out and play will resume.

Example: Rule- One foot in-bounds while in possession of the ball constitutes a legal catch in flag football.

Case 1: An official rules a pass incomplete because the “player did not have two feet in-bounds.” This is a rule misinterpretation, which is protest worthy.

Case 2: An official ruled a pass incomplete because the “player’s first foot landed on the sideline.” This is a judgment call which is not protest worthy. For Eligibility Protests, see Eligibility on page 7.

EQUIPMENT

Intramural Sports provides some equipment for the sports provided. Individual participants are responsible, however, for supplying some necessary equipment for individual/dual sports. If an item is not referenced in the following list, please see each set of sport specific rules. Individual participants are responsible for use of the proper footwear/equipment for all intramural sport events.

- Regulation athletic, non-marking, close-toed shoes are required to be worn in the gymnasiums.
- Rubber cleated shoes may be worn on the intramural fields during outdoor programming. Metal cleats, spikes or bare feet are not allowed. All screw in/on cleats must be plastic tips.
 - **Exception:** Softball participants may wear metal cleats with approval from the intramural supervisor.
- Personal athletic equipment may be used provided the equipment meets the approval of the officials and supervisor. The judgment of the Intramural Sports Staff will be final.
- All team members must have the same color jersey

Information concerning the postponement or cancellation of Intramural Sports events is available through announcements through email or the Rec Services Instagram. ALCOHOL, DRUG, AND TOBACCO POLICY

Alcoholic beverages, drugs, vaping/e-cigarettes, and tobacco products are not permitted on or around the playing areas. Any person who is in the possession of drugs or alcohol or who appears to be under the influence of drugs or alcohol will be asked to leave the premises immediately. UNI Public Service will be called in severe cases. Any Intramural Sports Staff has the authority to make this decision. Possession and use of intoxicants in public areas of university facilities and at official university functions and social events held on campus is prohibited. Any infraction could lead to the probation and/or dismissal of that individual and/or team. Furthermore, violations of the University of Northern Iowa and Rec Services policies could lead to submission to further disciplinary action.

INJURIES AND LIABILITY

Information concerning the postponement or cancellation of Intramural Sports events is available through announcements on the Intramural Sports website, through email, on Facebook or Twitter. In the event of inclement weather, please stay off the Rec Services Sports Complex Fields. Failure to comply with this request may result in suspension from Intramural Sports.

BLOOD-BORNE PATHOGENS POLICY

Participants that are bleeding will be removed from play immediately. If blood is found on a participant's clothing, regardless of whose blood it is, they will be removed until the contaminated clothing has been removed. Prior to any participant re-entering an activity, bleeding must be stopped, and all cuts or open wounds must be covered. Participants will not be allowed to participate in any activity until all conditions stated above are met.

LOST AND FOUND

The University of Northern Iowa and Recreation Services are not responsible for lost, stolen, or unclaimed items. Rec Services strongly encourages all members and guests not to bring valuables to the facilities to prevent loss or theft. In the event of items becoming lost or misplaced, the UREC Staff will do the following to safeguard these items:

Valuables: Wallets, ID cards, credit cards, watches, Smart Devices, jewelry, etc. These valuables and others not included in this list will be brought to the WRC Main Office 101 and are kept with the front office staff. Items will be held for 30 days and then processed.

Theft: If a theft is reported, an incident report will be filed with Rec Services. At the victim's request, Public Safety will be called to complete a report and investigate the incident.

CHAMPIONSHIP T-SHIRTS AND PHOTOS

In recognition of achieving championship status in intramural sports activities, a championship t-shirt will be awarded to the overall champion of each league (Men's, women's, CoRec, competitive, recreational, etc.). Shirts will be available immediately after the championship game(s) have concluded. Shirts will only be given to those who have participated in at least one contest. Intramural Sports reserves the right to modify any awards for its programs.
